1. Introduction (the ideaal world)

A  Closing the loops

B  What is Lankhorst Engineered Products added value to the loop.
Closing the loop

Sustainable plastic solutions

www.lankhorst-ep.com
What is LEP adding to the loop

- recycling of foils (agricultural foils)
  - cutting / shredder / washing
  - regranulate of the plastics

- use regranulated foils in our products
  (cheaper than virgin materials and better for the environment)
Recycling

- Our recycling plant
- Recycles 100 ton a week, 5200 tons per year
